SECTION A – GOALS AND OBJECTIVES

Program Description, Goals and Target Population

The City of Chicago Community Justice Initiative (CJI) is a program aimed at educating and providing resources to address legal challenges faced by many Chicago residents living within the 18 wards that comprise the Black Caucus. CJI will work with residents in each ward with a primary focus on juveniles, young and emerging adults, ages 14-24. This initiative will focus on providing services for those that are:

- In police custody
- Facing criminal charges
- On probation or parole
- Formerly incarcerated
- Returning citizens; and,
- Any person or organization that advocates on behalf of this population

CJI will work at the ward-level by leveraging each community's knowledge of its own assets and needs. In each ward, one organization will work diligently to ensure that the residents of that ward receive training on their rights as citizens and residents, specifically with respect to encountering law enforcement agencies and with respect to their rights under the law, if they have criminal records. This Know Your Rights campaign will be an on-going hallmark of the program. The organization will also provide referrals to additional types of legal counsel. Additionally, the organization will be able to act
